

NWOPA Member,

The Directors of NWOPA have voted to postpone the Annual General Meeting of the Association until April 2021. We are hopeful that the Ontario Prospectors Exploration Showcase will proceed at that time, providing the opportunity for us to resume our normal cycle of activities.

We will also be honouring current NWOPA memberships until next year, given that the Showcase is the usual venue for renewals. If, in the meantime, you wish to renew your 2020 membership with OPA & NWOPA, please complete the application form on the link below and submit it to the OPA: <http://www.nwopa.net/uploads/2/8/8/7/28877487/nwopa-opa-membership-form.pdf> If you have already renewed your 2020 membership, we appreciate your support.

If you have any issues with the Mining Lands Administration System (MLAS) or suggestions as to how the Board can better support your prospecting activities, please forward them to [admin@nwopa.net](mailto:admin@nwopa.net)

Enjoy the remainder of the summer and keep well,

Mike Grant, President, NWOPA
