

Bernie Schnieders Memorial Award

Lakehead
UNIVERSITY

Department of
Geology

The Bernie Schnieders Memorial Award supports graduate students in the Department of Geology at Lakehead University. The Geology Department would like to thank all of those that have contributed to this award fund. The 2017 recipient of the award is Vittoria Smith. Vittoria completed her H.BSc. thesis in the spring of 2016 at Lakehead.

Her thesis was entitled “The Mineralogy and Petrology of the Anderson Lake Pegmatite”. She presented her research at the 2016 ILSG meeting in Duluth, Minnesota. She began her M.Sc. this past fall under the supervision of Dr. Shannon Zurevinski and will be investigating the isotopic systematics of the Ghost Lake Batholith and related pegmatites near Dryden, Ontario. Congratulations Vittoria!
