CANCELLATION OF ONTARIO PROSPECTORS EXPLORATION SHOWCASE APRIL 7 + 8, 2020

To Whom it May Concern:

With regret the OPA is announcing today that the annual Ontario Prospectors Exploration Showcase “Exploration finds Mines” scheduled for April 7 + 8 is cancelled for this year.

The OPA is taking these measures to mitigate the possibility of placing members and participants in harms way.

OPA is presently setting up procedures to unravel payments already received and to notify anyone who have registered.

Yours truly,

Garry Clark
